

## **1000/1000 Holy Grail**

After trading currencies since 1997 Futuretech Investment Group has developed a trading system that will be shared with only 1000 people. This Holy Grail trading system has been used to make close to a billion US dollars in trading profits. We will offer the trading signals with communication on when to buy and when to sell to the minute. It gives you the flexibility to have a once a day (2:00 PM MST) make your trades at end of the day or a London and New York trading session (1:00 AM MST to 2:00 PM MST) instant profit trades.

You will be provided everything that we have used as Hedge Fund Currency Experts for years of battlefield trading. We will give you step by step instructions to set your own money making account up and how to become financially independent for the rest of your life. You can start with once a day trading to full time trading.

We want serious trainee traders for the education course. The cost is \$1000.00 USD. You will not be alone. We take care of all your needs to use the system. This is not a get rich quick scheme. It is a get rich slowly. You get money management and periodic meetings. Your brokerage is set up with a licensed and regulated firm with whatever funds you deem appropriate to deposit. You must make your own trades and take charge of your life. You will be rewarded with a referral fee for each new member

that you sign up. This is a closed offer to only the first 1000 members. You will learn how to read this chart below and start getting rich slowly. Sign up today. Visit our website at <https://www.ftigi.com/?p=products>
